

Hello to everyone! My name is Michelle Casrill and I can't wait to meet you all. Until we meet, here's a little something about me. I am a happy graduate of LSU and am currently a fourth grade teacher at Shenandoah Elementary. I have been married for two years now and have recently moved into the neighborhood. I have no children but we have one big baby, a 170 lb. English Mastiff.

As far as swimming goes, I started swimming competitively when I was 9 years old. Over the years, I have swum on various summer country club leagues. In addition to the summer leagues, I swam for several years on a U.S. team. I was also a member of my high school swim team for four years, where I was captain for my junior and senior years. During my four years, I qualified for both Metro and State meets.

My coaching experience began when I was assistant coach for two years for a summer league named the Sharks. I proceeded on to become head coach for the team and loved every minute of it. This team began to have winning seasons each year because of the team's hard work and competitiveness. Throughout my years involved in swimming, I have held many swim clinics, given years of swimming lessons and have been a lifeguard.

I am very excited to meet each of you and can't wait to start this season. I can't wait for a fun and competitive swim season!

Michelle Casrill
